Welcome Environmental Health Leaders:

The Ohio Environmental Health Association is proud to present the 2025 Environmental Health Leaders Professional Development Series. **Registered Environmental Health Specialists with 3-5 years of experience** are the intended audience. This course is designed for those who are ready to lead a team of EH professionals. You do not have to be in a current leadership position to be eligible to attend, however, current membership in OEHA is required. If you would like to become a member of OEHA, please use this [link](#).

This two-day course will be held on **October 21, and November 19, 2025**, at **Delaware Public Health District** located at 470 S. Sandusky Road, in Delaware, Ohio. The Membership and Professional Development Committee has been hard at work gathering an engaging and informative slate of speakers who will cover the most important topics for aspiring EH leaders including:

- How to hire, develop and **KEEP** Environmental Health Specialists
- Identifying and leveraging team strengths
- Keys to effective communication
- Cost analysis methods to help maximize resources
- Navigating the universe of budgeting for EH Programs
- How to set up enforcement systems to improve compliance

Along with the topics above, attendees can expect the following perks.

- Opportunities to bond with other leadership-focused professionals
- Free food (snacks, coffee, etc.)

The draft program agenda is attached, but is subject to change.

Please remember that seats are limited, so don't delay in registering.

You can register for the 2-day course using this link:
